

PREVENT

SLIPS, TRIPS & FALLS

WORK AREA

- ✓ Wear appropriate slip-resistant shoes.
- ✓ Keep workspace and walkways clean, clear and well lit for you and your visitors.

STAIRS

- ✓ Take only one step at a time.
- ✓ Limit your load and make sure your vision is not obstructed.

WET AREA

- ✓ Make sure signs warn others of the danger.
- ✓ Clean up spills immediately.
- ✓ REMEMBER 'A SPILL, A SLIP, A HOSPITAL TRIP'...!!

CORDS

- ✓ Do not allow electrical cords or other objects to extend across a walkway.
- ✓ Tie up any cords that might pose a trip hazard.

Ladders

- ✓ Stand on a ladder instead of a chair, table bucket or box.
- ✓ Use the correct ladder for the job.
